

Fiscal Year 2022 Intercity Bus Security Grant Program Key Changes

Release Date: May 13, 2022

The [Intercity Bus Security Grant](#) helps protect surface transportation infrastructure and the traveling public from acts of terrorism and increase the resilience of transit infrastructure. This funding provides owners and operators of intercity bus systems with resources for implementation of the National Preparedness System and works toward the National Preparedness Goal of a secure and resilient nation. This document outlines key changes for the fiscal year (FY) 2022 IBSGP.

Key Changes

The National Priority Area of Addressing Emerging Threats is being removed. However, all activities previously allowable under that National Priority Area remain allowable under the program.

The two remaining National Priority Areas are Enhancing Cybersecurity, and Enhancing the Protection of Soft Targets and Crowded Places.
